During the first week of school, each grade level voted on an improvement they would like to see made at Elko. At the end of the Penny War, the grade level that has the most points will use 100% of the money collected to implement their improvement!

For each penny, your grade level gets a point. A dime gives you 10 points, a dollar, gives you 100 points, and so on.....

The war ends on **December 15th!**
